PASSED & GRAZING

Zenzero & Roberto's catering brings restaurant craft to your event. A menu of refined canapés, handmade pasta, and abundant buffet selections — each dish composed with the same care we bring to our dining room. Ideal for cocktail receptions, corporate mixers, and celebrations of up to 100 guests, served with the ease your occasion deserves.

Live Station

CHEF-ATTENDED

Some moments deserve a little theatre. Pasta tossed in the wheel, carving served as guests gather, and bites prepared to order in front of them — Roberto's live stations turn the food into the event's centerpiece, for galas and milestone celebrations alike.
